

Dear Placement Committee,

Greetings from Centre for Budget and Policy Studies (CBPS), Bangalore!

We currently have **3 Research Positions at CBPS:**

The Centre for Budget and Policy Studies (CBPS), Bangalore is a research organisation working in the areas of policy, education, governance, and health service delivery. To know more about our organisation please visit www.cbps.in

CBPS is looking for a two full-time Research Assistants/ Associates with a post-graduate degree in social sciences, preferably in the areas of Education, Psychology, Sociology or Child Development. Candidates must have some familiarity with issues in the broad area of child development, must have experience with qualitative research and some knowledge of quantitative research as well. Familiarity with Hindi and/ Tamil is necessary. Applicants must be willing to spend extended periods of time (up to six months) on field. Willingness to extensively engage with critical literature on child development is desired.

The other position is also for Research Assistant/ Associate with a post-graduate degree in social sciences or economics willing to work both in qualitative and quantitative research. The candidate must have good conceptualizing skills and must be able to spot trends in the research analysis. The candidate must be well-versed and have hands on experience in STATA. The candidate will be given higher preference if he or she comes with a background in Development Economics and has a keen interest in qualitative research.

Candidates who are interested please mail your applications to mrinalika@cbps.in with your resume in **Microsoft Word format** and two sample academic research writings. The end date for submission of applications is **10 October 2017**.
